REAL WOOD. REAL EASY.

OUR WALL PLANKS GIVE YOU AN AUTHENTIC RECLAIMED WOOD LOOK WITH STICK ON EASE.

A beautiful addition to any home. We offer wider widths and longer lengths than other real wood wall panels on the market. Our wall planks give you an authentic reclaimed wood look with stick on ease. We work with partners in the American hardwoods manufacturing industry to reclaim wood from their processes and upcycle it into Rustick Wall Co's easy to install wall planks. We have a range of colors to meet any style from rustic to contemporary. We are a fun brand that is attractive to everyday people. The product is offered in exclusively 5" widths. Our shortest boards are 2ft and longest are 5ft providing a true long plank wall look. Also available in unfinished.

ENGINEERED SPECIFICATIONS:

- SPECIES: AMERICAN WHITE OAK
- 24.5 SQUARE FEET PER BOX
- 2' TO 5' LENGTHS
- ADHESIVE BACKED FOR EASY APPLICATION
